

Hi Coaches,

We are excited to announce that Bumblebees Softball has teamed up with Fred Causo and Mix 94.1fm to host our 1st ever CASH & CANS Softball Jamboree! We are calling all 10u - 18u USA softball teams to take part in this special event being held at Plymouth State University's D&M Park!

This event is being held in support of Mix 94.1 FM's Cash & Cans 40th Anniversary, which supports local food pantries, soup kitchens, holiday assistance programs, and other organizations helping our neighbors in need. We're thrilled to celebrate their 40th anniversary by combining two things we love—softball and supporting our community!

Teams that would like to play a Saturday night game under the lights can add one for just \$25 more. Night-game availability is extremely limited. Sign up ASAP!

(10% of proceeds gets donated to Cash & Cans)

 This is a USA Softball of New Hampshire sanctioned event. Certified Umpires and game balls will be provided!

COMPETITIVE, APPROPRIATE MATCHUPS

This is a jamboree—not a tournament, so our goal is to provide teams with quality games against appropriate competition.

Matchups will be based on team skill level. Whether you're looking to challenge an experienced roster or get meaningful game experience for a developing team, we'll work to create the best matchups possible.

There are no brackets or elimination games—just an opportunity to get your team on the field, play competitive softball, and support a great cause.

GIVE BACK WHILE YOU PLAY

10% of event proceeds will be donated to the Cash & Cans cause.

We are also asking each player, coach and spectator to bring at least one non-perishable food item to donate.

It's an easy way for the softball community to come together and make a real impact for families in our area.

LOCATION:
