

Thank you for playing with Tier One Fastpitch!

There is not a typical concession stand at the park but there are some great, award-winning Food Trucks that are there.

If you are playing on fields 6-9, there is a drop off in the back of the park. Follow the driveway all the way until you get to the turn around. Do not park in the handicap spaces unless authorized. The city of Raleigh will ticket you.

The city runs the admission gates. They take cash and card, with cards being preferred.

Here are some hot spots in case you need breakfast on the way in:

Coming in from Pool Rd, there is a McDonalds & Burger King (as well as a Food Lion) when you turn on to Birch Ridge Dr from Pool Rd.

If you are on I40, take the Jones Sausage Rd exit and you'll come across Burger King, Bojangles, Cookout, Subway (tucked in the back by BK). IF your GPS tells you to take the Rock Quarry Rd exit, you will get to the park, but you will not pass anything on the way in.

If you're new to Walnut Creek, the White Oak Shopping area has plenty of restaurants, Dicks Sporting Goods, Target, Cabella's, and more. It's just a few minutes from the park. Turn left on Sunnybrook Rd, then left on Rock Quarry, and right on Jones Sausage.
